A SMILE ... and what would school be without fun? Memories ... humorous happenings in classes or at lunch ... to be "pocketed" now and taken out for a giggle or two in future years.

A SHADOW ... Who am I? What am I? Where am I going? These are questions most high school students ask themselves especially in their senior year. Where will I be ten years from now? What will my life be like then?

over-powering Moline 61-49. Another win was achieved by the Rocks with a score of 71-55, defeating East Moline. Finishing the season, the Rocks lost to Ottawa 80 to 71.

Varsity Cheerleaders build school spirit.

Cheering students on to victory are Nina Bingmon, Cindy Moore, and Mary Love.

The Homecoming game provides anticipation for cheerleader Teresa Carlson.

This year the Rock Island cheerleading program is different than it has been in the past. Twelve cheerleaders were chosen to represent football, wrestling, boys and girls basketball, girls swimming, and one cross country meet.

All twelve girls cheered for the football season, but because of lack of space in the field house, for basketball games the girls were divided into two squads of six. Either the Red or Gold squad cheer alternately at every game, home or away. Their sponsor this year, making her debut as new supervisor is Mrs. Judy Fox.

The Cheerleaders are: ROW ONE: C. Moore, K. Layer, C. Taube, N. Bingaman, B. Fisher, T. Dai-

ley, J. Bleyaert, T. Carlson. ROW TWO: B. Bonsall, M. Rice, M. Love, and J. Rohr.

Go, Fight, Win

The Sophomore Cheerleaders are:
ROW ONE: left to right M. Suarez, L. Romeo, L. Cartwright, and C. Williamson. ROW TWO: P. Lundy, J. Ray, K. Rossow, and D. Morrison. ROW THREE: S. Handley, C. Chesling, C. Balch, and B. Carlson

The Rock Island Sophomore Cheerleaders were selected to keep our school spirit together and help teams to victories. The girls worked hard and spent many hours developing and learning new cheers. They too are split into Red and Gold squads as the varsity.

"F-I-G-H-T" cheers Kathy Rossow.

Mary Ann Suarez jumps for the victory of the "Little Rocks."

Chris Chesling and Linda Cartwright express their spirit for the "Pebbles."

This first place winning float was built by the seniors. It was entitled "Rock 'em Rocks".

Seniors Planning For A Future Life

What's on the mind of Tracy Hendrickson?

Kathy Johnson takes a look up into life.

Jeff Calloway and Tom Carlson discuss their future school plans.

As Seniors, we are able to witness smiling moments, a blend of shadows throughout the years, and successful achievements in the near lifetime — our future.

As we complete our lives around the Rock, we appreciate what Rock Island High School has given us.

Juniors Establish Future Plans

Up to this point in time we, as a junior class, have gained maturity and witnessed various achievements. As we multiply, we acquire strength to face the obstacles the future will possess. We also look back, and appreciate the fact that we received so much from Rock Island High School.

Rocky Senators were kept busy with many activities this year. Senate sponsored a festive Homecoming week including the bed race, pickle-eating contest and Homecoming parade. The Homecoming dance topped off the fun-filled week. Senate sponsored an old-fashioned, knee-slapping square

dance to raise money and collected canned goods for needy families on Thanksgiving. Senators also held a homeroom Christmas collection to gather food and money for more needy families at Christmas time. The second annual Rocky-Alleman Christmas dance was another senate success. Senators also worked hard in undertaking the Presidential Classroom project and the very successful Student Day. In February Rocky's sophomore senators pulled together a great "Sweet-heart Swirl", and Rocky's junior senators ended the year well with their Junior-Senior Prom.

This year's Watchtower Staff members smiled through thick and thin. Although they had shadows under their eyes from working long nights completing deadlines the members managed always to be cheerful. Each staff member worked hard to put together a yearbook that would last a lifetime in the memory of their fellow classmates.

Chess Players Move Into Position

Lost in thought, Andy Bruck concentrates on a way of outsmarting his adversary.

They Beat The Drums, Play The Horns

Having to march in one of the rainiest season, did not dampen the spirit or the pride of the Marching Rocks. Appearing at all of the home football games and marching in the Milan Festival and Homecoming parades, the Band represented their school well. They also performed at Morton and Morris, Illinois, bringing home the second place trophy at Morton. The Band successfully defended their first place status at the Western Illinois University Homecoming parade and was awarded the Winners trophy for the third time.

Mr. Hires instructs his "speechers" on the importance of hand gestures.

"Well-1-1-1, alright, just one more dance," says Becky Seales to Tom Wiley.

"But Mr. Hires," pleads Eric Eliason, "Look how late it is already."

This year's Speech Team experienced a dramatic increase in membership to nearly fifty active participants. This rise in forensic interest may be due to the fact that since its rejuvenation almost four years ago by Mr. J. M. Hires the Speech Team has steadily increased and strengthened into one of Rocky's "winningest" teams. This year's team, in keeping with the winning tradition, has won many tournaments, and individual speakers have earned an abundance of awards. As a climax to this successful year many members also took part in state competition. Congratulations on another fine year "speechers".

"Store Front" Learning Popular

Marty Childs and Alda Lyons prepare to open shop.

What's that you're studying so intently, boys?

Advisor Ed Kline takes a moment to smile for the camera.

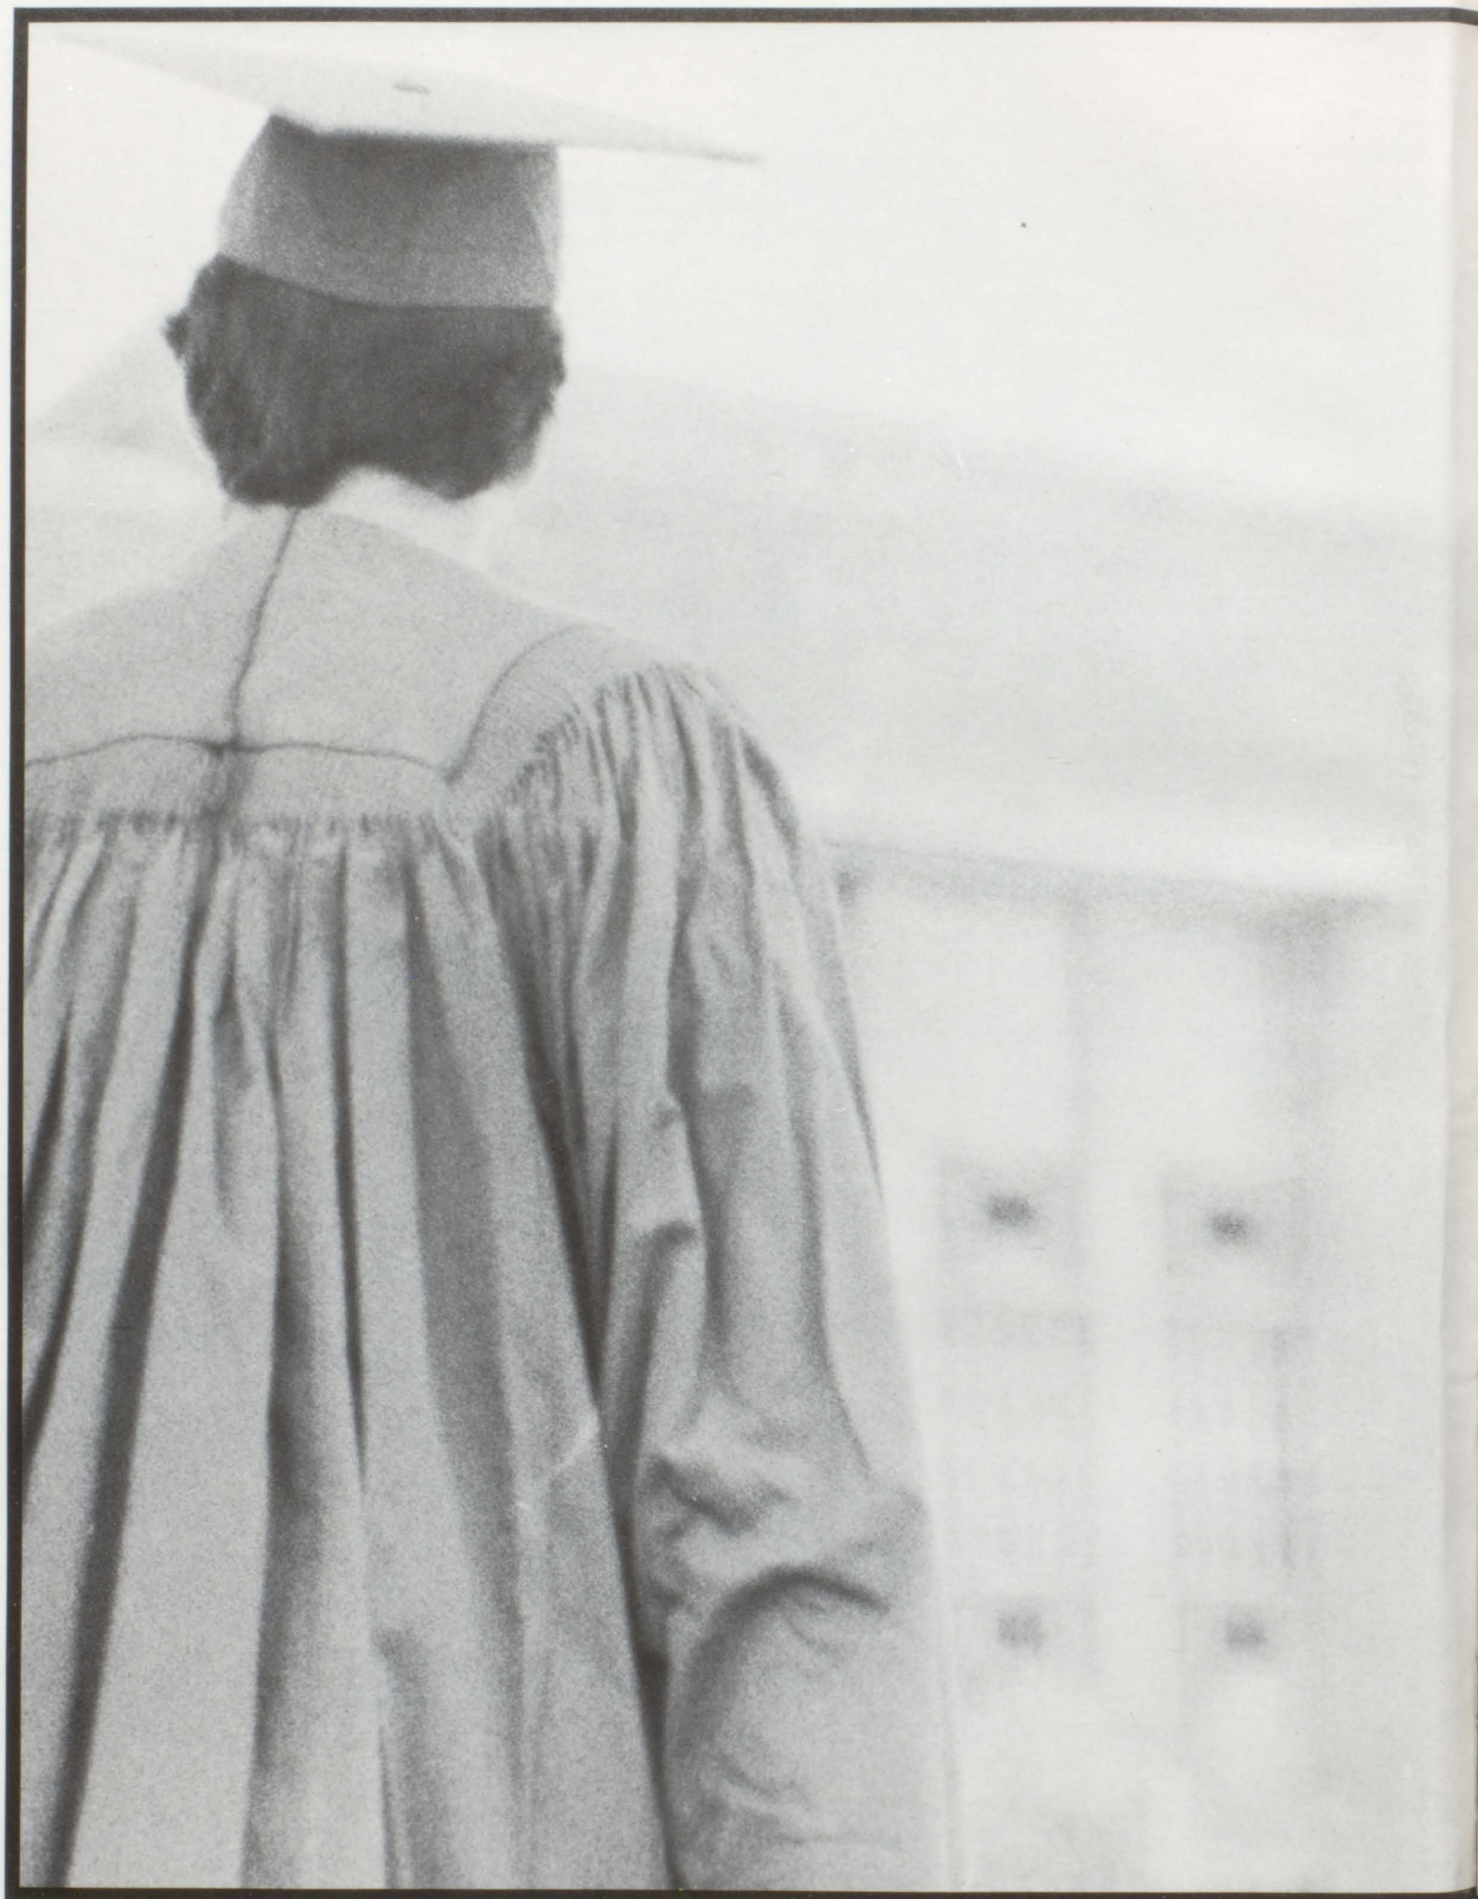

Sherry Manasco and Keith Lamkins listen closely while Vic Walker explains the finer points of selling technique.

Rocky's Very-Important-People program-V.I.P.- gives students the benefits of a quality education and practical skills simultaneously. V.I.P.'ers also get a valuable extra added bonus by running a resale shop downtown- experience in working with people. After many years in existence, V.I.P. has certainly proved a valuable alternative to a structured classroom education.

Marty Childs anxiously awaits the first customer of the day as Alda Lyons makes a last minute inspection of merchandise.
